8th Japan–Korea Symposium on Materials & Interface

November 5-7, 2008
Sapporo, Japan

Organized by

Division of Materials and Interface &
Division of Reaction Engineering
The Society of Chemical Engineers, Japan
(SCEJ)

Invitation

The Organizing Committee cordially invites you to participate in the 8th Japan-Korea Symposium on Materials and Interface to be held on November 5-7, 2008, in Sapporo, Japan. The main objectives of the symposium are to share the latest research results, to exchange ideas and to boost the cooperative relations among chemical engineers, chemists, and materials scientists and engineers of the two countries. The scope of the symposium will cover all aspects of materials research in chemical engineering, chemistry and materials science and engineering.

Mikio Konno
Symposium Chair

Venue

The Symposium is to be held at Keio Plaza Hotel Sapporo (Tel.: +81-11-271-0111, FAX: +81-11-271-7943, http://www.keioplaza-sapporo.co.jp/Korean/) in a city which is one of Hokkaido's centers of "Food & Sightseeing", a place to entertain us with the superb quality of food as well as the charming sceneries (http://www.welcome.city.sapporo.jp/tourism/k/index.html).

Call for Papers

The symposium consists of oral and poster presentations. Contributing authors are requested to submit a one-page extended abstract that includes the title of paper, author(s) and e-mail address of the corresponding author, and affiliations in pdf format. The extended abstract should be submitted to Prof. Minoru Miyahara (jksm2008@cheme.kyoto-u.ac.jp) of Kyoto University by e-mail telling the author's preference on the presentation style, oral or poster. Deadline for receiving abstracts is **August 31, 2008**. Authors whose abstract are accepted by the scientific committee will be informed by **September 15, 2008.**

Registration

Those who are planning to attend the symposium are kindly requested to complete the registration by **October 15, 2008**.
